Re: Northerly Annexation No. 6
to the City of Azusa.

Dear Sir:

At the meeting held on March 23, 1955, the County Boundary Commission reviewed the boundary description and map submitted on March 7, 1955, by you for the above proposed annexation to the City of Azusa, Northerly Annexation No. 6.

The County Engineer called to the attention of the Commission that although the description could be approved within the meaning of Section 35002 of the Government Code, certain minor changes were desirable to clarify and perfect some of the references. Said minor changes would make no change in the location of the boundaries shown on your map.

The County Boundary Commission approved the boundary description submitted by you and the alternate description recommended by the County Engineer and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

Very truly yours,

Ray E. Lee

SUBJECT: City of Azusa
"Northerly Annexation No. 6"

Pursuant to your request of March 8 regarding the proposed "Northerly Annexation No. 6" to the City of Azusa, we have reviewed the legal description of the boundaries submitted by the City and find that, although the description can be approved by the Commission as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code, certain minor changes are desirable to clarify and perfect some of the references.

Therefore, we have prepared the enclosed revised description of boundaries, which we recommend that the Commission approve as an alternate recommended description and forward to the City of Azusa.

A map showing this proposed annexation, and all original papers regarding this matter are enclosed.
